Christmas Returns to Cold Lake First Nations!

Holiday cheer is all around as we are about to have a “normal” Christmas! Stuff the turkey and wrap those gifts because we are going to party like it was 2019!

The last few Christmas Holidays have been like no other in modern history; no public gatherings, no Christmas Dinners and even Santa had to wear a mask and stay six feet away from his own elves.

Thankfully, we have moved passed all that. This year we get to celebrate in eachother’s company, gather in eachother’s homes and rejoice in what Christmas is all about, being “present”, with friends,

family, neighbours and that one uncle that we dont talk about, (it’s ok, every family has one).

Our Community Christmas Dinners are all back, December 15th at the

- Children pose with Santa at the 2019 Urban Member’s Dinner

Ag Society Hall in Cold Lake and December 17th at the Edmonton Inn and Conference Centre, where we get to see all the happy, maskless faces that we haven’t seen since 2019.

Turkey, Ham, stuffing and all the trimmings will be on the menu as we all get together

and reminisce about the good ol’ days, (before food shortages and inflation became the norm).

Santa is sure to make his triumphant return as well, bringing with him the gifts that bring an abundance of Christmas joy to all the children of CLFNS.

Special this year, is the one-time increase of the Christmas Distribution, that will greatly help with making this Christmas a memorable one.

Merry Christmas everyone, enjoy the holidays.

Remembrance Day Ceremony

LeGoff School hosted a Remembrance Day Ceremony in honour of all of the CLFNS Veterans who fought for Canada during the Second World War.

Digital Signs Arrive on CLFNS

- The sign at the English Bay Center, displaying a very important message about a missing community member.

High Tech digital signs have been erected next to the Administration Building and the English Bay Centre on CLFNS.

Funded by Health Canada, these signs will provide the Nation with the ability to quickly communicate important health and safety messaging throughout

the community, as well as advertising important information, events and alerts, adding another valuable tool in the Nation's communication toolbox.

Thank You

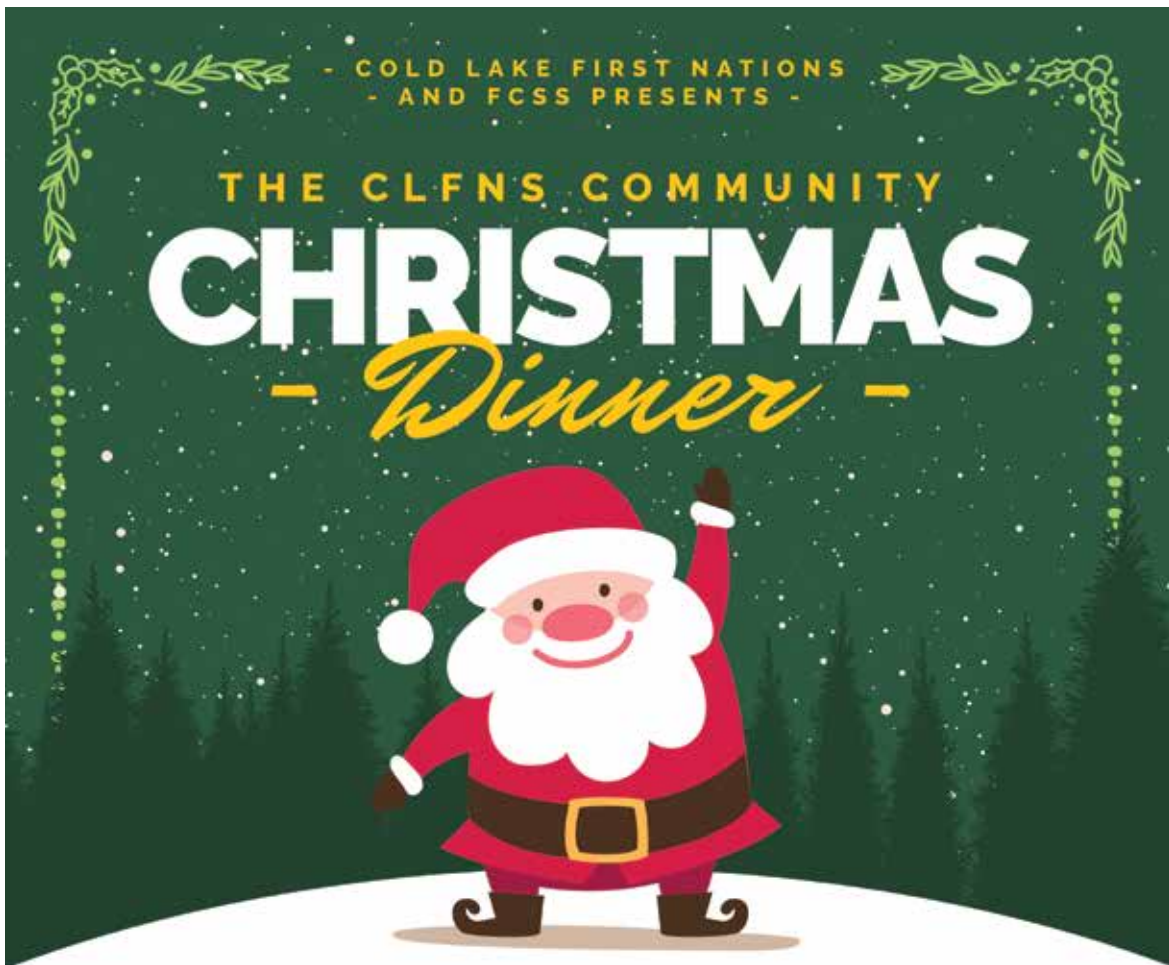

WE WOULD LIKE TO EXTEND A SPECIAL THANK YOU TO OUR BUSINESSES FOR THEIR CONTINUED SUPPORT AND INVESTMENT IN OUR COMMUNITY. IT IS WITH THEIR GENEROSITY THAT MAKES THIS YEAR'S HOLIDAY DISBURSEMENT POSSIBLE. MASI CHOK.

First Nations Drinking Water SETTLEMENT

The First Nations Drinking Water Settlement Claims Process is Open

The claims process for individuals and Impacted First Nations in the First Nations Drinking Water Settlement is open. Impacted First Nations have until December 2, 2022 to accept the Settlement Agreement by submitting a Band Council Acceptance Resolution. The deadline for individuals to submit a claim is March 7, 2023.

This is the first drop in recognizing the communities impacted. See what claims process is right for you and access the online Claim Form at www.firstnationsdrinkingwater.ca

How do you know if you are eligible? You might be included in the settlement if you:

- are a member of a First Nation; and
- were born before November 20, 1995 and lived on an Impacted First Nation that was under a drinking water advisory that lasted for a year or longer, between November 20, 2013, and June 20, 2021; or
- were born on or after November 20, 1995 and lived on an Impacted First Nation that was under a drinking water advisory that lasted for a year or longer, between November 20, 1995, and June 20, 2021.

The settlement also includes children, those under disabilities (someone who is unable to manage their affairs due to mental incapacity) and loved ones who passed away on or after November 20, 2017 (if they also meet the criteria above). Additional compensation may be available for those who followed long-term drinking water advisories but still suffered Specified Injuries.

To learn more, visit www.firstnationsdrinkingwater.ca

If you would like to receive a paper copy of the Claim Form or have questions about making a claim, call the Administrator toll-free at 1-833-252-4220.
